CXO™ EXECUTIVE

IPI's most comfortable chair offers high-end design and ergonomic performance for any executive

- Translucent, breathable mesh back allows air to pass freely, making it comfortable in all climates
- Enersorb™ foam (found in the seat, headrest and lumbar support) conforms to your body when you sit and reverts to its natural form when you get up
- Dynamic back movement (it moves with you) provides generous lumbar support
- Standard dual-layer fabric is perforated for exceptional air flow and also has a four-way stretch to move perfectly with the Enersorb™ foam; choose from 7 standard colors
- 4D armrests move up/down and in/out with lockable swivel and forward/backward arm pad adjustment
- Synchronous knee tilt mechanism with multi-position lock, side tension control and integrated seat slider
- Headrest adjusts up & down with an innovative built-in coat hook
- Waterfall seat design minimizes pressure on the thighs and promotes good posture
- Contoured thoracic lumbar pad adjusts up/down and in/out for personalized lumbar support and comfort
- Graphite base with anti-slip treads and 2" mag-wheel carpet casters
- 350 lb weight capacity, single shift use
