- Sturdy metal frames are powder coat painted for durability

Single Post Park Benches

Single Post Park Benches are a cost-effective option for a sturdy, permanent seating option in any environment.

Features:

- Available in 5' length
- 2" x 4" seat & back slats produced from ACQ treated lumber or recycled plastic wood
- Surface mount, hardware not included
- Sturdy metal frames are powder coat painted for durability

18th Century Style Park Benches

A unique seating choice, the 18th Century Style Park Bench will add a historic or old-fashioned feel to your park area.

Features:

- Available in 4' and 5' lengths
- 2" x 4" seat & back slats produced from ACQ treated lumber or recycled plastic wood
- Heavy-duty cast iron ends are powder coat painted for durability
- Surface mount, hardware not included

Recycled Plastic Lumber Benches

These all weather benches are produced from recycled plastic lumber for excellent durability. Available in 2 styles:

Features:

- Available in 6' and 8' lengths
- Flat Top Benches feature 2x4 recycled lumber set flat across the top with 1/2" gap between for each runoff
- Slat Top Benches feature 2x4 recycled lumber set on edge across the top with slats for a decorative look and easy water runoff

Aluminum Benches

Virtually maintenance free and easy to clean, Aluminum Benches are a great choice for dugouts, playgrounds and other outdoor seating needs.

Features:

- Seat and optional back produced with 10" deep extruded aluminum with aluminum end caps
- Frame produced with 2" schedule 40 pipe that is powder coat painted for durability
- Adjustable glides standard or surface mount with optional mounting plates
- Standard 6' length, custom sizes available

Freestanding Park Benches

Our most economical park benches, Freestanding Park Benches are simply styled to fit into any setting.

Features:

- Available in 4', 5' and 6' lengths
- 2" x 4" seat & back slats produced from ACQ treated lumber or recycled plastic wood
- Sturdy metal frames are powder coat painted for durability

Picnic Tables

Traditional-style Picnic Tables are an inexpensive but durable option for any park setting.

Features:

- Available in 6' and 8' lengths
- 2" x 6" table top slats and 10" deep seats produced from ACQ treated lumber or recycled plastic wood
- Table top is 30" w and 30" h, seat 18" high; handicap accessible version available
- Heavy-duty base produced from 1.5" schedule 40 pipe that is powder coat painted for durability

Concession Tables

Popular Concession Tables offer a more permanent table solution in your park or shelter area.

Features:

- 2" x 6" table top slats and 10" deep seat produced from ACQ treated lumber or recycled plastic wood
- Table top is 48" square and 30" h, seat 18" high; handicap accessible version available
- Heavy-duty base is powder coat painted for durability
- Surface mount, hardware not included

Seating & Tables

Majestic Wood Benches

Using dimensionally large lumber, Majestic Wood Benches are designed for use in larger settings or anywhere solid wood seating is desired. They are a perfect fit for city streets, outside public buildings or any high-traffic park or patio area.

Features:

- Available in 4', 5' and 8' benches, 83" curved bench and 27" chair
- Produced with treated African Mahogany lumber for beauty and strength
- Sturdy construction: 2.25" square legs, 2.5" wide seat slats and 1.875" back slats
- 18" seat height
- Surface mount hardware available

Majestic Wood Tables

Versatile Majestic Wood dining and occasional tables complement the Majestic Wood Benches and accessorize any outdoor seating area.

Features:

- Available styles: coffee table, end table, 42" square table and 60" round table
- Produced with treated African Mahogany lumber for beauty and strength
- Sturdy construction
- Surface mount hardware available

Majestic Wood Accessories

Finish any outdoor seating area with matching Majestic Wood Planters and Trash Receptacles.

Features:
