Custom Cabinetry

Colors Available:

- Please contact your sales representative

Iowa Prison Industries' skilled craftsmen can produce custom cabinetry designed specifically to fulfill your needs at a competitive price. Experienced CAD artists will provide project drawings and pricing at no charge. Choose solid woods, veneers or laminated surfaces to meet your budgetary needs. Finish your cabinet project with laminate or solid surface countertops.

Standard wood upper and lower cabinets include a timeless raised panel design and a variety of standard hardware choices. Configured to suit your needs, cabinets can include virtually any combination of shelved areas (with or without doors) and drawers. Custom panel designs can also be produced.

Laminate countertops are solidly constructed with high-pressure laminates on 1.125" particle board. A variety of edge treatments are available as well as backsplashes.

For areas that will receive a large amount of use, laminated cabinets are easy to clean, durable and more resistant to spills and water damage than traditional wood cabinets. IPI will custom configure upper and lower cabinets and countertops to meet your organization's needs.

Great for residential or commercial use, 100% acrylic solid surface countertops are at home in kitchens and food prep areas, bathrooms, lunch/break rooms or laboratories.

Solid surface countertops are practical and easy to maintain; the nonporous surface has impenetrable seams so germs and dirt do not have anywhere to accumulate. Backsplashes are included and sink units are also available.

about IPI

What is IPI?

Iowa Prison Industries (IPI) is the work arm of the Iowa Department of Corrections, employing inmates throughout the State of Iowa in manufacturing, farming and private sector work programs. Each business is 100% self-funding and, since 1996, has returned over \$10 million in revenue to the General Fund for education, taxes, family support and room and board.

At Iowa Prison Industries, we believe the cornerstone of an adult's life is *work*. Thus, IPI seeks to offer work vocations that will allow our offenders to learn skills in our nineteen businesses that are transferable to the streets upon release. We begin the training process of each inmate we employ by requiring them to apply for the job they desire. Moreover, they must demonstrate their willingness to build products that they are proud of. Each offender is evaluated on craftsmanship, timeliness and attitude, assuring our customers that only the highest quality products are delivered day in and day out.

No sale is ever final with Iowa Prison Industries. Our products must meet your expectations, not ours. You will find doing business with IPI a pleasure; after all, you own the store.

IPI strives to supply its plants with the latest equipment to enable our inmate employees to have marketable job skills upon their return to society. An example is this Holzma computerized saw located at the Ft. Madison plant.

Testimonials

"[I] can't begin to tell you how pleased I am with your finished product... The workmanship is beautiful, you all can be very proud of the products that leave your facility. Thanks again for the great job."

-- Janet Hesler, Guidance Clerk
Danville High School, Danville
October 2004

"Our small community (population approx. 1,000) saved an estimated \$20,000 in furnishings as a result of shopping with IPI. I need to thank you for your help here. Our new center is indeed a showpiece."

-- Vern Meierotto, President
West Point Public Library Foundation, West Point
September 2004

"...We are extremely pleased with the quality of the workmanship in your materials as well as your flexibility in helping us design for custom uses. We are delighted with the results and I wanted you to know how pleased we were with your service. ... We will certainly consider you in the future for other projects."

-- Rev. Edward J. Hurley
St. Francis of Assisi Catholic Church, West Des Moines
September 2004

"I thank you for the good relationship between Iowa Prison Industries and Iowa State University. I am very pleased to note that I have been in meetings where attendees have commented about their gratitude for products supplied by Iowa Prison Industries."

-- Gregory L. Geoffrey, President
Iowa State University, Ames
December 2002

"Thank you very much for the fine job you and your workers did on the renovations in N323. It exceeded my expectations. The quality and craftsmanship were excellent and the detail that was added to the wall cabinets that matched the chair rail and baseboard was a nice touch."

-- Peter C. Damiano, DDS, MPH
Director, Health Policy Research Program
University of Iowa, Iowa City
November 2003

"It is a great pleasure for me to write this letter of support for the excellent product lines, craftsmanship, and superb service Iowa Prison Industries (IPI) gives to its customers."

-- Dale Vande Haar
Coordinator, Libraries & Information Services
Des Moines Public Schools, Des Moines
November 2003

"...thank you for the excellent service in meeting our need for custom oak furniture..."

...The furniture is not only beautiful, but the quality of workmanship is top rate..."

-- David H. Sivright, Jr., District Judge
Clinton County Courthouse, Clinton
July 2003

"...In August, three elementary schools were reopened, provided with new furniture from Iowa Prison Industries. Again, the quality is excellent, prices are competitive, and the service was superior. This also allowed us to keep taxpayers' dollars within the state..."

-- Eric Witherspoon, Ph.D., Superintendent
Des Moines Public Schools, Des Moines

Iowa Prison Industries

A Division of The Department of Corrections

For more information on IPI products and services, visit our web site at www.iaprisonind.com or contact your sales representative at 800-670-4537.

MISSION STATEMENT

To employ staff and inmates
who are dedicated to providing:

Exceptional Service
Reasonable Prices
Quality Products

It is this commitment to excellence that will allow our business to remain self-funding, achieve growth, provide more jobs for inmates and staff and assume a national leadership role in correctional industries.

Vision

By ensuring our mission is achieved, we will have assisted the Department of Corrections in protecting the public, staff, and inmate safety through vital work programs that will ensure the offenders' chances of a successful return to society as tax-paying citizens upon their release.
