

NOW AVAILABLE FROM I.P.I.

Saniwash™ Antimicrobial Handwash

- Effective against germs
- Cleans dirty hands
- Gentle on skin
- Pleasant fragrance

Contains 0.6% PCMX for antimicrobial action and aloe vera to add moisture with each use. Saniwash™ aids in reducing the risk of cross-contamination while helping you meet APIC and OSHA standards for hand washing. Saniwash™ comes in a wide variety of packaging options to meet your needs.
