### Enviro Care All Purpose Cleaner

Enviro Care Low Foam All Purpose Cleaner is effective for all routine cleaning jobs. It is particularly effective for cleaning highly polished floors. Its almost neutral pH and low foam means no streaking and no foaming when used through an automatic scrubbing machine. This highly concentrated cleaner (dilutes 1 oz to 6 oz per gallon of water) will not attack, damage or dull any floor finish or wax. It lifts soil from any washable surface quickly and easily and dries film free. Use Enviro Care Low Foam All Purpose Cleaner for damp mopping, scrubbing, spray and wipe cleaning or with a hand bucket and cloth. Green Seal and EcoLogo certified.

### Enviro Care Floor Finish

Enviro Care Floor Finish creates a new standard in floor finishing by combining an unequaled level of environmental preference with performance, which surpasses conventional floor finish technology. Enviro Care Floor Finish excels with all maintenance systems: scrub and recoat, spray buff or burnish. You'll get a tough, black-mark resistant shine with no powdering. No sealer is required, even after heavy stripping. EcoLogo certified.

### Enviro Care Floor Stripper

Enviro Care Floor Stripper is an environmentally preferable floor finish remover. Specifically designed to remove Enviro Care Floor Finish, it will also remove more conventional metal cross-linked floor polishes. This fast acting and pleasant-to-use stripper removes multiple layers of finish without harsh alkalis and other conventional components. Enviro Care Floor Stripper is highly concentrated (dilutes 16 oz to 42 oz per gallon of water) and requires no neutralization prior to finish application. EcoLogo certified.
