ORDERING SHOES FROM IPI CENTRAL CANTEEN

IPI does not stock shoes. We provide a process for incarcerated individuals to order approved shoes from approved vendors.

When you order shoes from the kiosk, your money is placed in a **HOLD** status. IPI then orders your shoes from the vendor. When your shoes arrive at our facility, the money is taken off of **HOLD** status, and you are charged for them. Your shoes are then shipped to you. The entire process can take UP TO 30 days.

Due to supply chain problems during the COVID-19 Pandemic, IPI is allowing incarcerated individuals the option to cancel their shoe order, AFTER 30 DAYS. If you would like your shoe order cancelled, and your money released back to you, and it has been more than 30 days, please send a kite to IPI, requesting to cancel your order.
