Cliff, Jasper Construction is approved to order the signs on the city's behalf for the project.

Thanks

Chris,

Similar to the last phase, we are planning on ordering the traffic control signs from Iowa Prison Industries. They are requesting permission again from the City of Des Moines for Jasper Construction to place an order for the project. Can you please send me an email saying we have permission to place an order for the project?

On another note, if there are business signs that you think we will need right away, I would like to order these from Iowa Prison Industries as well. When we need them in a quick hurry, we will get them from QTC. Do you guys have any business signs in mind that we may need to start the project?

Thanks,

Cliff Rhoads
