

539 DESK CHAIR

Classic one-piece design is both durable and economical

- Stain and scratch-resistant .625" thick melamine desktop with pencil ridge
- Adjustable desktop allows for angled or flat work surface; desks ship flat unless otherwise specified
- Welded steel 16-gauge, 1" round tube frame and 16-gauge, .75" round tube seat and back brace, powder coat painted
- Full-size melamine seats and backs, .625" thick, are nearly impossible to break or stain
- Standard size desk chair features 13" between the desktop and chair back to fit most middle and high school students
- Extra-large size available which features an extra 7" between the desktop and chair back and an extra heavy-duty frame
- Non-marring, nylon-base swivel glides standard; steel glides also available
- Optional bookrack constructed of 0.25" round rod
- Optional laminate desktop with t-mold edging
