

COVERED STEEL TRASH

Personalized with logo for high-end style with long-lasting performance

- Decorative arched dome keeps rain out of trash can
- Heavy-gauge steel is powder-coat painted with outdoor paint formula for durability
- Plasma-cut logo can be placed on one or all four sides; optional painted panel behind logo will add color and make logo stand out
- 35-gallon black plastic can liner included (19.25”d x 19.25”w x 27.5”h); accessible via steel door
- Adjustable glides included
