

ETHOS SERIES

Blending flexibility with mobility for an active learning environment

- All-in-one units efficiently switch between lecture, collaborative and group modes
- Molded polypropylene fiberglass reinforced shells are comfortable and easy to clean; available in eight colors
- Easy grip handle built into the back of the chair for better control when moving
- Base with over sized opening offers generous access and accommodates large backpacks and other personal items
- Optional over sized work surface (12.5"d x 23.25"w) is non-handed for right and left handed individuals, telescopes in and out for easier access, and features a pencil ridge on all four edges
- 360 degree swivel seat for clear sight lines between students, instructors and visual content
- Six casters allow for seamless transition between classroom layouts; hard floor casters standard
- Supports up to 300 pounds
