

IPI LATERAL FILE CABINETS

A simple solution to your filing needs with commercial quality at an economical price

- Designed and manufactured by IPI
- Folder bars for side-to-side filing (letter or legal) as well as two letter and two legal file dividers included per drawer
- Constructed of 20-gauge sheet steel with heavier gauge drawer fronts for extra durability
- Locking system prevents more than one drawer from opening at a time
- Lock and counterbalance weights standard
