

L ELECTRIC TABLES

Provide sit-to-stand work tables for improved focus, productivity, and overall well-being

- Height adjusts from 26" to 52" to suit a variety of user needs and work styles
- Rectangular work surfaces range in size from 24"d x 48"w to 36"d x 72"w; custom shaped tables include 120 degree corners and peninsulas
- High-pressure laminate work surface produced with 1.125" thick particleboard and 3mm PVC edging
- Clean T-leg design and absence of low-hanging crossbar allow the table to be used from both sides, promoting user comfort and enhancing versatility
- Electric controls located towards right end of table unless otherwise specified
- 8' cord length
- Generous load capacities (approximately 200lb total operating load depending on table size) accommodates a typical user's equipment and supplies
- Nylon base leveling glides; 1" casters available for special order
- Bases available for purchase to retrofit existing work surfaces
