

MXO™ CONFERENCE

Unique memory height and position lift always returns the chair to a uniform, clean aesthetic

- Combines unprecedented comfort in its category with a contemporary aesthetic and sustainable design
- Designed for meeting rooms, break out rooms and conference seating applications
- ENERSORB™ seat foam conforms to the body when the user sits and then reverts to its original form when the user gets up
- Waterfall seat gently slopes, minimizing pressure on the thighs
- Translucent ABLEX™ patterned mesh back provides generous lumbar support and dynamic back movement
- Breathable mesh provides for added comfort in any environment or setting
- Swivel tilt mechanism with memory height and position lift
- Fixed arms fit under standard height conference and meeting room tables
- Heavy-duty nylon spider base with 2" mag wheel carpet casters
- 250 lb weight capacity
