

## ROUND TUBE BENCHES

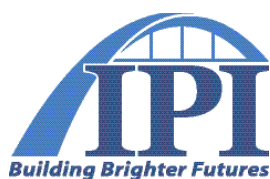

*Offer a clean, modern look that is sturdy and competitively priced*

- Choose from two styles, cantilever or arch styles
- Available in 5' length
- Freestanding or surface mountable, hardware sold separately
- 2" x 6" seat and back slats produced from ACQ treated lumber or recycled plastic wood
- Sturdy metal frames produced with heavy-duty 14-gauge, 2" round metal tubing
- Frames are powder-coat painted for durability; outdoor or indoor paint formulas available
- Custom sizes available
