

T-4 CRANK TABLES

Sit-to-stand adjustability as well as numerous options to customize your workspace

- A multitude of options makes these tables a great option for computer workstations
- Sit-to-stand base adjusts via a crank on the desktop from 27" to 43" high
- High-pressure laminate work surface produced with 1.125" thick particleboard and vinyl t-mold edging standard; veneer tops and other edge-banding styles available.
- Rectangular work surfaces range in size from 24"d x 30"w to 30"d x 72"w; custom shaped tables include corners and peninsulas
- Adjustable glides
- Additional options include modesty panels, privacy screens, cord trays, wire troughs and power/data accessories
- Pin-height and electric models also available as well as a lower height crank model
- Bases available for purchase to retrofit existing work surfaces
