Explanation of Waiver Request:

FDCF is requesting to purchase crew socks for offenders from an outside vendor. The current sock IPI offers does not meet our needs. The sock runs very small and has no stretch, so it does not fit most offenders. IPI is working on finding a replacement sock as we did a wear/wash test on a sample this week. I approved that sample for our facility and hope that other facilities approve it as well and IPI will have acceptable socks for us to purchase in the next couple months.

Fill out completely the items to be purchased below or include an itemized quote with price, delivery and installation charges. For any modular order also include a copy of the drawing proposed. You may also attach your quote from the supplier you plan to purchase from in lieu of filling in the boxes below.
