**Explanation of Waiver Request:**

I would like a wavier to purchase clear can liners from Grainger. IPI is out of the 39 x 58 can liners and cannot make them due to equipment failure. IPI has ordered liners from another vendor and are not expecting delivery of those liners for at least two weeks. We are almost out of liners. We discussed switching over to the black liners that IPI does have in stock but our Security Director will not approve that switch for security/safety reasons.

Fill out completely the items to be purchased below or include an itemized quote with price, delivery and installation charges. For any modular order also include a copy of the drawing proposed. You may also attach your quote from the supplier you plan to purchase from in lieu of filling in the boxes below.
