**Explanation of Waiver Request:**

We have rec'd numerous complaints that the IPI socks are children size and do not fit our offenders. The socks are so small they are cutting the circulation off on their feet. I placed an order for 100 dz socks on 8/27/15, but just requested to cancel the order pending review of this waiver.

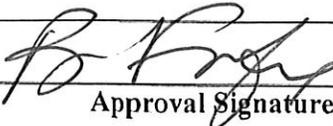

Fill out completely the items to be purchased below or include an itemized quote with price, delivery and installation charges. For any modular order also include a copy of the drawing proposed. You may also attach your quote from the supplier you plan to purchase from in lieu of filling in the boxes below.
