Explanation of Waiver Request:

MPCF is requesting to purchase crew socks for offenders from an outside vendor. The current socks we are getting from IPI is unacceptable. The sock has no stretch to it and does not accommodate the offenders sizes. We have many diabetic offenders and sores are occurring on those offenders as well as all offenders who are fit into boots. We have met with Justin and it was agreed the socks offered are inferior and do not meet our needs at this time. Purchase from now until IPI finds a suitable replacement. We have little to inventory of acceptable socks.

Fill out completely the items to be purchased below or include an itemized quote with price, delivery and installation charges. For any modular order also include a copy of the drawing proposed. You may also attach your quote from the supplier you plan to purchase from in lieu of filling in the boxes below.
