Explanation of Waiver Request:

This waiver request is for 12 each 31" x 77" x 4" 10 oz. core antimicrobial mattresses. I only need 12 for our Corbett Miller Living unit and the IPI website states there is a minimum order of 100 required. Our Corbett Miller living unit is the only unit that uses this size of mattress, so we are not able to order 100 mattresses of this size. Because of this, I would like a waiver to order these from Bob Barker.

Iowa Code 904.808 requires Iowa Prison Industries to provide the Legislature with the following information annually on purchases from suppliers other than Iowa Prison Industries.

Fill out completely the items to be purchased below or include an itemized quote with price, delivery and installation charges. For any modular order also include a copy of the drawing proposed.

You may also attach your quote from the supplier you plan to purchase from in lieu of filling in the boxes below.
