Environmental & Safety Benefits

- Nontoxic (aquatic & human)
- Phosphate Free¹
- Biodegradable²
- No added fragrances
- Non-Corrosive
- Contains No Hazardous Ingredients³
- Not formulated with Glycol Ethers
- Not formulated with Alkalies
- Biobased ingredients⁴

Product Performance Characteristics

Highly concentrated ENVIRO CARE Low Foam All Purpose Cleaner is effective for all routine cleaning jobs. It is particularly effective for cleaning highly polished floors. Its almost neutral pH and low foam means no streaking and no foaming when used through an automatic scrubbing machine.

Specifically formulated for compatibility with ENVIRO CARE Resilient Tile Coating, ENVIRO CARE Low Foam All Purpose Cleaner will not attack, damage or dull any floor finish or wax. It lifts soil from any washable surface quickly and easily and dries film free. ENVIRO CARE Low Foam All Purpose Cleaner works equally well in hard or soft water. Use for damp mopping, scrubbing, spray and wipe cleaning, or with a hand bucket and cloth. ENVIRO CARE Low Foam All Purpose Cleaner revitalizes any washable surface without damage.

Directions for Use

Heavy Soil Accumulations: Dilute 1:32 (4 oz. per gallon of water). Allow solution to remain on surface 5 - 10 minutes. Agitate with brush or mild scrubbing pad if necessary, rinse with clear water.

While rinsing will aid in complete removal of soil loosened and suspended in the cleaning solution, ENVIRO CARE Low Foam All Purpose Cleaner does not impart a detergent film or residue, therefore rinsing is generally not required.

Disposal & Recycling: Dispose of excess/unused product and container in accordance with Federal, State and Local Regulations. The packaging is recyclable.

USDA Category 1. Letter of Guaranty available upon request.

Dilution Ratios

Light Soil Removal, Routine Damp Mopping and Automatic Scrubbing:

Dilute Enviro Care Low Foam All Purpose Cleaner 1 oz. per gallon (1:128) of water used.

Moderate Soil Removal Damp Mopping:

Dilute Enviro Care Low Foam All Purpose Cleaner 4 oz. per gallon (1:32) of water used. Spray on surface and wipe with clean cloth.

Hard Soil Accumulations:

Dilute Enviro Care Low Foam All Purpose Cleaner 4 oz. per gallon (1:32) of water used. Allow solution to remain on the surface for 5 to 10 minutes for maximum chemical action to dissolve extremely heavy soil accumulations. Agitate with a brush, if necessary. Pick up dirty solution and rinse with clear water.

Dilute with water from the cold tap.

Improper use or dilution may result in damage to surfaces and may increase health effects.

Properties

pH	6.5 - 7.0
Specific Gravity	0.990 - 1.010
Weight per gallon	8.33 lbs
Color	Yellow-green
Odor	Neutral
Clarity	Clear
Sediment	None
VOCs (% by weight)	1.03 - 1.53 (EPA Method 24)

Health and Hazard Ratings

Category	NFPA	HMIS
Health	1	1
Fire	0	0
Reactivity	0	0
Protective Equipment	None	B

Recommended Personal Protective Equipment: Rubber Gloves, Safety Glasses.
