

KORE® WOBBLE CHAIRS

Encourage active seating and allow users to find comfortable and ever-changing positions

- Increase secondary focus: continuous movement while sitting relaxes the right side of the brain, leading to better focus
- Provides an outlet for high energy children
- A patented anti-roll safety ring on the base prevents tip-overs and falls
- Manufactured with antimicrobial protection against the spread of common bacteria; FDA approved
- Produced from durable, recyclable HDPE #2 plastic
- Lifetime warranty
- 4 sizes available to fit most any child K-12
- 275 pound weight capacity
- Made in the USA
- Floor Wobbler model allows children to sit comfortably on the floor and remain active in one spot; ideal for flexible seating classrooms.
